

Gateway180 - THE TURNING POINT

2018 Annual Report

With your help, we can end family homelessness and create a new vision of the future for our children.

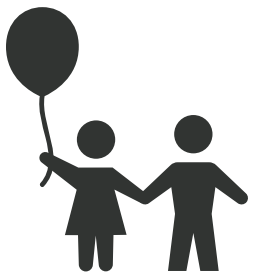

HISTORY

Founded in 1977, Gateway180's mission is to empower adults and families to become independent and permanently housed.

FAMILY MATTERS

As the largest residential emergency shelter in the state of Missouri, Gateway180 keeps families together, accepting all members, including teenage boys and dads.

CHILDREN ARE THE FUTURE

In 2018, we served 997 clients, 54% of whom were children.

HOME

Through case management and our supportive housing and empowerment programs, we move families to sustainable employment and permanent housing.

VERSATILITY

WORKING TOGETHER

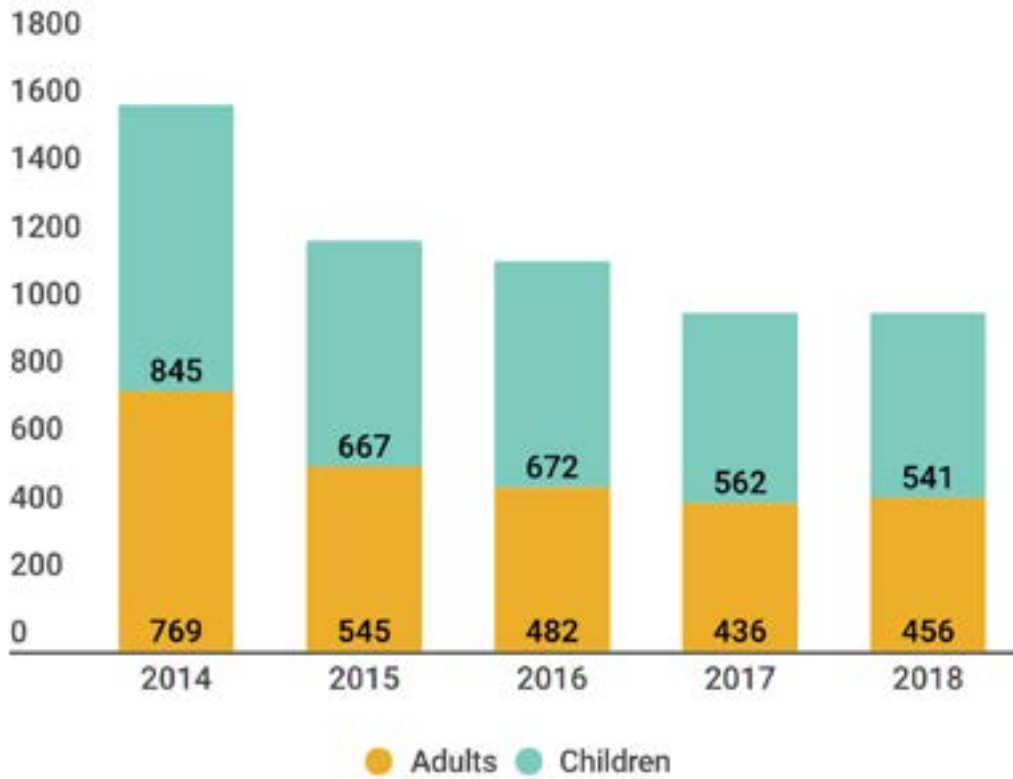

Gateway180's vision to end family homelessness in the St. Louis community is only possible with a wide network of partners and resources working together.

BE A PART OF THE SOLUTION

Gateway180 relies on people for their gifts of time, treasure, and talent, and we make sure we're good stewards of these gifts that are shared with us.
